

## Create IBM Cloud Account:

The screenshot displays the IBM Cloud Dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes the IBM Cloud logo, a search bar, and navigation links for 'Catalog', 'Manage', and 'Sooriya R's Account'. A 'Create resource' button is visible in the top right. The main content area is titled 'Dashboard' and features a 'For you' section with several recommended actions: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Get started with IAM' (Quickly get started with IAM by inviting users to your account and assigning IAM access to those users. Recommended, 5 min), 'Use Watson Studio' (Watson Studio provides a suite of tools and a collaborative environment for data scientists, developers and domain experts. Popular, 2 min), 'Set up your IBM Cloud account' (Learn how to set up your IBM Cloud account, manage your account settings, organize resources, and control access to those resources. Getting started, 10 min), 'Build a Virtual Private Cloud (VPC)' (Upgrade to a paid account to create your your own protected space in the IBM Cloud. Getting started, 7 min), and 'IBM W Things' (Commu connec and ani time, c apps at the sol). Below this section, there are links for 'User access' (Manage users), 'News' (View all), and 'Planned maintenance' (View all). A 'News' card highlights 'Unified Key Orchestrator Now Supports Easy Multicloud Key Management for Google KMS' and 'TrustRadius Best Software: Five IBM Offerings to Make'. The bottom of the image shows a Windows taskbar with icons for the Start menu, File Explorer, Google Chrome, and a terminal window. The system clock indicates 19:13 on 06-11-2022.
